

**Two Perth and Kinross County players in the Scotland Team.**

Strathmore's Alex Simpson and Auchterarder's Rowan Carey have been selected for the Quadrangular U16 International series to play Ireland; Wales and The Netherlands at Temple Patrick Ireland.

This is the second year both have been selected for this event having been part of the successful team last season.

Both boys have been part of Perth and Kinross County coaching programme benefitting from Strength and Conditioning guidance and professional coaching via Noahs Ark and Gleneagles. Both have been successful at county U14 and U16 level and as a result have

attracted support from other bodies.

Alex and Rowan are now both part of the Scottish Academy programme for the past year and enjoyed warm weather training in Spain as part of the system.

We wish them well in their defence of the trophy and future careers in golf.

David Ramsay
